The provisions of this Section 4.8 are available only if the utility provider has agreed to this treatment. The charges for post petition utility services are allowed as an administrative claim. These payments comprise a single monthly combined payment for postpetition utility services, any postpetition delinquencies, and unpaid security deposits. The claim payment will not change for the life of the plan unless amended. Should the utility obtain an order authorizing a payment change, the debtor(s) will be required to file an amended plan. These payments may not resolve all of the postpetition claims of the utility. Any unpaid post petition utility claims will survive discharge and the utility may require additional funds from

Instead, the actual pool of funds available for payment to these creditors under the plan base will be determined only after audit of the plan at time of completion. The estimated percentage of payment to general unsecured creditors is <u>11.00</u>%. The percentage of payment may change, based upon the total amount of allowed claims. Late-filed claims will not be paid unless all timely filed claims have been paid in full. Thereafter, all late-filed claims will be paid pro-rata unless an objection has been filed within thirty (30) days of filing the claim. Debtor(s)' attorney or debtor(s) (if pro se) shall provide the trustee with the information needed for the trustee to comply with the requirements of 11 U.S.C. § 1302 as to the notification to be given to Domestic Support Obligation creditors, and debtor(s)' attorney or debtor(s) (if pro se) shall provide the trustee with the calculations relied upon to determine the debtor(s)' current monthly income and disposable income.
- 8.3 The debtor(s) shall have a duty to inform the trustee of any assets acquired while the chapter 13 case is pending, such as insurance proceeds, recovery on any lawsuit or claims for personal injury or property damage, lottery winnings, or inheritances. The trustee has the discretion to adjust, interpret, and implement the distribution schedule to carry out the plan, provided that, to the extent the trustee seeks a material modification of this plan or its contemplated distribution schedule, the trustee must seek and obtain prior authorization of the court. Proofs of claim by the trustee will not be required. In the absence of a contrary timely filed proof of claim, the amounts stated in the plan for each claim are controlling. The clerk shall be entitled to rely on the accuracy of the information contained in this plan with regard to each claim. Unless otherwise ordered by the court, if a secured, priority, or specially classified creditor timely files its own claim, then the creditor's claim shall govern, provided the debtor(s) and debtor(s)' attorney have been given notice and an opportunity to object. The trustee is authorized, without prior notice, to pay claims exceeding the amount provided in the plan by not more than \$250.
- 8.8 Any creditor whose secured claim is not modified by this plan and subsequent order of court shall retain its lien.
- 8.9 Any creditor whose secured claim is modified or whose lien is reduced by the plan shall retain its lien until the underlying debt is discharged under 11 U.S.C. § 1328 or until it has been paid the full amount to which it is entitled under applicable nonbankruptcy law, whichever occurs earlier.
